## Pool Party Reservation Form

The party is limited to 35 total attendees. The limit is 35 because the pool is a shared facility and other families will be accessing the pool during the party. Parties are limited to 4 hours unless otherwise approved by the board. Any large party with 15 or more guests must have a NPIA #2 supplied lifeguard at \$15 per hour. The cost to schedule a party of less than 20 people is \$30 and \$50 for between 21 to 35 people. There is a 20% discount for NPIA#2 homeowners (\$24 & \$40). Pool party request forms and payment must be received at our office at least 1 week prior to the event. Check the pool website [www.npia2.com](http://www.npia2.com) for a calendar of parties. Parties are scheduled on a first come first served basis. **A party is not confirmed until notification is received from the pool.** These party rules are subject to change without notice (check website). **There is a \$50.00 refundable cleaning fee for each party.**
